

# Sioux Valley Health Centre Employment Opportunity

## Nurse in Charge

The Sioux Valley Health Centre is seeking a full time Nurse in Charge to oversee and coordinate the Community Public Health Programs. The role of the Nurse in Charge is to promote, protect and preserve the health of the community. The Nurse in Charge will apply appropriate strategies to prevent injuries, chronic and communicable diseases; address environmental issues; support reproductive/sexual health and promote the health of postpartum women, infants and families.

The Nurse in Charge will respect diversity, self-determination, empowerment and community participation. These values are consistent with a population health approach that is rooted in an understanding of the broad determinants of health and the principles primary health care, community development, and harm reduction.

### Duties & Responsibilities

- Oversee and coordinate the Community Public Health Programs
- Provide all related Public Health duties
- Provide supervision to the Community Health Team
- Ensure processing of all required documentation
- Maintain optimal level of standards to the Sioux Valley Health Centre

### Qualifications

- Current College of Registered Nurses of Manitoba (CRNM) Registration on the Practicing Register of Registered Nurses"
- Baccalaureate Degree in Nursing
- Basic Life Support (BLS) certification
- Previous experience in public health nursing or related experience with emphasis on health protection, illness prevention, health promotion and community development
- Demonstrated proficiency with Microsoft office and other computer programs
- Ability to work independently and within an interdisciplinary team
- Excellent communication and interpersonal skills
- Physical capabilities to perform nursing skills
- Understanding of PHIA and ability to maintain confidentiality
- Valid Manitoba Class 5 driver's license and access to a vehicle and acceptance of work related travel
